# ABOUT US

**Fútbol Club Valencia** promotes a vision of developmental soccer that advocates professional training and a deeper understanding of youth soccer. Our on those core principles allows us to promote longer range, developmental and educational programs for our young athletes. Our organization provides curriculum based training which is in part based on the guidelines for learning and endorsed by the United States Youth Soccer Association and the United States Soccer Federation (USSF).

## Why Should You Sponsor FC Valencia

Our Sponsorship program albeit new, will play a significant role in our growth as we expand our reach into the local and surrounding communities. In turn, our Sponsors will have visibility to thousands of engaged people while at our training & game facility, visiting our website and social platforms, and as our teams compete throughout Southern California.

## The Benefits of Sponsorship

Through a tax-deductible contribution to Fútbol Club Valencia (FC Valencia), you can support your community while reaching a large base of potential customers with our various sponsorship opportunities.

## Use of Sponsorship Proceeds

We appreciate your interest in becoming a club, team or player sponsor of Fútbol Club Valencia. Our organization continuously strives to provide the very best for our youth athletes, regardless of their economic situation. Through the generous gift of sponsorship, you are making FC Valencia a better resource for the development of our youth soccer players. Sponsorship and donations aim to help our teams reduce their costs related to club and team fees, uniforms, tournaments, showcases and associated travel expenses. With help from people like you, we can help offset some of these costs and you can be assured that your contribution will positively impact the ongoing development and growth as our programs continue to advance.

Other future projects include: a Scholarship Program for under privileged families; additional camps that cater to both our growing recreational and competitive programs; and ultimately a new state-of-the-art training and educational complex.
